* we ask that female campers have a one piece bathing suit and that guys ensure their bathing suit will be secured while in the water (no super loose board shorts)

** Here are a few suggestions from us on the towels and sleeping bags:

Some people like to bring two towels, one for the beach and one for the shower, then you're not worried about a sandy towel when you shower

Some people prefer to have sheets and a blanket over a sleeping bag, there is no right or wrong, but often sheets are nice when it's warmer depending on your sleeping bag.

*** If you have a bible bring it along! If you don't own one, don't go out and buy one, we've got some that we are happy to give you to keep.

It is a good idea to write your name all on items, if you lose something we'll be able to get it back to you.
